## SUMMARY

---

Final year B.Tech CSE student skilled in Java and Data Structures and Algorithms. Experienced in building and deploying web applications. Passionate about software engineering, eager to leverage hands-on internship experience and Oracle/Cisco certifications to contribute as a Software Developer

## EDUCATION

---

B. Tech CSE, Galgotias University

2022-Present

CGPA: 6.4

12th CBSE, New Look School

2020-2021

67%

10th CBSE , Bal Bharti School

2018-2019

77%

## SKILLS

---

Technical Skills: Java, HTML, CSS, JavaScript, Git/GitHub, Node.js, React.js

Soft Skills: Problem Solving, Communication, Time Management

## PROJECTS

---

### Web Quiz Application

- Providing an engaging and visually appealing layout for questions and answer choices.
- JavaScript handles the logic for fetching questions, displaying them one by one, and managing the quiz flow.
- JavaScript tracks user selections, calculates scores, and provides immediate feedback on correct/incorrect answers, often displaying a final score at the end.

## EXPERIENCE

---

### Android developer virtual internship

Sep 2023 - Nov 2023

- It provides a concise yet comprehensive journey into the world of mobile app creation.
- Google's expertise in developing the Android platform, learners can expect a focused curriculum covering essential topics like programming languages, the Android SDK, and API integration.
- The course's hands-on approach ensures a practical understanding of building robust applications, aligning with industry standards.

## CERTIFICATIONS

---

### JAVAFFOUNDATIONS

By Oracle, January 2024

### DATABASEDESIGN

By Oracle, January 2024

### INTRODUCTION TO PACKET TRACER

By Cisco, May 2024

## ACHIEVEMENTS

---

- 150+ Questions Solved on Leetcode.
- 230+ Questions Solved on GFG
